

Essex Closed 2026 Report (Lexden Rackets and Fitness Club) July 2026 AGM

Another busy event with the similar number of entries to last year with players from all across Essex participating.

Following Last year's adverse feedback when ESSEX Closed water bottles were given to participants, this year we reverted back to "T" shirts for the tournament entrants

As last year all categories were in the Monrad scoring system, which resulted in lots of matches for all.

Again we need a focus for 2027 to grow the beginner participation, however, this will need the clubs to buy into promoting this internally

The event was kindly sponsored by Stringers World and Millane Contracts.
